

Dear Parents

What a fabulous, fun-filled week to end the half term! There have been lots of celebrations and it's lovely to see the half term end on such a high.

Congratulations to all the Year 4 and 5 staff and children who put on an amazing production this week. It was wonderful to see their smiling faces and hear such wonderful singing.

Have a fantastic half term, I look forward to seeing everyone back ready for the last half term of the year.

LOWER PHASE NEWSLETTER

If you spot any teachers suddenly vanishing over the next few weeks, it might have something to do with year 2! For the last 2 weeks, they have been focusing on instructional writing and have written their own recipes for a potion to make a teacher disappear. The children enjoyed coming up with a range of magical ingredients to go into their potions and worked hard to use adjectives, adverbs and similes in their work.

Year 1 teachers took advantage of Outdoor Classroom Day yesterday and completed a local area walk to identify the similarities and differences between Finham and the seaside. The children had lots of fun exploring the locality and did a brilliant job of spotting the different features they could see! They have also come to the end of their English work on 'Odd Fish' and showed great enthusiasm and determination to complete their independent writing task to rewrite the story.

Year 3 are now experts on Ancient Greece after exploring this topic in their recent history lessons. They have found out about Ancient Greek religion, studied different Greek philosophers and learned some Greek language. As well as this, they have been reading the myth 'Pandora's Box' and have come up with their own versions of the story.

BOOK APPEAL

Year 5 have been asked to help run a book sale at the start of next half term and they need your help. If you have any books (which are in a good condition) we would be very grateful for any donations. The money raised will be reinvested back within the school so that children can continue to develop their skills across a range of experiences. We request that any books donated are checked to be suitable for children of primary school age. KS1 and KS2 children will then have the opportunity to purchase these books at the sale. Thank you in advance for any donations.
