

Dear Parent/Carers,

Today's 'Year 6 Takeover Day' has been a huge success. All Year 6 students have enjoyed the new experience of being in charge of the school and hopefully the other children have too. Every pupil in Year 6 filled out a job application and were given a role to lead including: teachers, teaching assistants, inspectors, office staff, caretakers, catering assistants, sports coaches, the deputy head and the Headteacher - we are even writing this newsletter!

All year groups from Nursery to Year 6 have benefited from this special occasion. Here are some quotes from the students and staff:

"I love how that there is a change to the school. It was very exciting to be taught by the older children" – Emilia, RM

"It's amazing that the older pupils have a chance to learn what it is like to be a teacher" – Shuniya, 2B

"During Takeover Day, I really liked how the Year 6's got to choose the lessons and teach them like our normal teacher"- Tommy, 3S

"I am amazed by how well they have planned, organised and presented their lessons!" – Mr Reed, 5R

We have all had a fantastic experience, that we are sure will continue in the school for years to come. We would like to congratulate all of the children in Year 6 for showing their values and setting a great example. Finally, we also want to thank school staff for allowing us to have this opportunity.

We hope you have a great week.

Kindest Regards,

Nehan (Head Teacher), Ioan (Deputy Head Teacher)

## **LOWER PHASE NEWSLETTER**

This week, year 2 have been putting all their Finham values into practise to complete their Key Stage One SATs. Everyone worked incredibly hard, tried their best and put 100% effort into all their assessments. It was great to see the children tackle the tests with a smile on their face and their class teachers are incredibly proud of all the children!

Well done year 2 😊

Over the half term holiday, Year 1 were asked to research Coventry and find out about the city's famous people and places. The children put a great amount of effort into their projects and enjoyed sharing them with their teachers and classmates! I was lucky

enough to see some of the projects and found out lots of interesting facts including that the composer of the Doctor Who theme tune was from Coventry and that parts of the Italian Job were filmed in Stoke Aldermoor.

As part of My Money Week, the children in year 3 have taken part in lessons to learn more about money. They enjoyed learning about budgets, spendings and savings and completed problem saving tasks to show what they had learned. They have also been enjoying their maths work on shape and have taken part in a range of outdoor lessons to learn about angles and horizontal and vertical lines.

## **BOOK APPEAL**

Thank you to everyone who has already brought in books for the Year 5 book appeal. If you could continue to have a look through cupboards and bookshelves for books, which you are happy to donate to the school for our book sale, that would be very much appreciated. Our school children will be given an opportunity soon to buy these books so we'd love to have a range of genres and age ranges that we can offer. If you are also able to double-check the pages are in good condition and are suitable for children in a primary school, that will help ensure everyone is happy with the book they receive.

## **LOST PROPERTY**

We have accumulated a huge amount of lost property with no names in. Every day we are adding to the pile. Please can we remind parents / carers to label your children's clothing and check our lost property for anything you may be missing. We also do not require any more donations of uniform currently. Thank you for all of your donations so far.
